

Building Family Support and Cultural Competence in Pediatric Audiologists February 22nd, 23rd and 24th, 2018

Idaho's Early Hearing Detection and Intervention (EHDI) program and the National Center for Hearing Assessment and Management (NCHAM) are partnering to offer another exciting training opportunity for audiologists.

Online Instruction required before attending on-site training.

Participants will be required to complete 6 weeks of online chats (1 hour each week) with readings during the weeks of January 15th– February 19th. The online chats are followed by a 2.5-day on-site workshop, culminating in a participant grand round.

On-site Instruction will be held at:

Idaho State University – Meridian 1311 E. Central Drive Meridian, ID 83642

Topics being presented will include:

- Building hearing aid competency through family centered processes
- Serving D/HOH+ patients and families
- Collaborating with families and professional partners
- Outcome measures and validation of technology
- High risk monitoring protocols
- Supporting Families and communication options
- CI & Osseointegrated Candidacy considerations
- Participant prepared grand rounds.

Register online at www.infanthearing.org.

Registration Fee: \$150.

This special opportunity is offered to you courtesy of Idaho Department of Health and Welfare. Registration fee includes course materials, online preparation, and on-site instruction with breakfast, lunch and refreshment breaks each day. **Registration will be provided for the first 25 Audiologists, with preference given to Idaho Audiologists. Three nights hotel (for out of town Audiologists) will be covered for the first 25 registrants. Preference will also be given to Idaho Audiologists.**

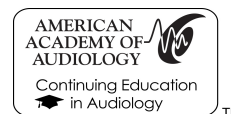

Registration Deadline: January 10th, 2018

Early registration is encouraged, since enrollment is limited to 45 participants.

Register on the infanthearing.org web site, go to E-Learning tab, then go to Building Family Support & Cultural Competence
